**6 THE START**

6.2. The RC will attempt to give an accurate 5-minute warning by sound signal for the first start. This signal may also be broadcast on VHF channel 80. However, the start is determined by GPS time, not by the sound/VHF.

6.3. Competitors will record their finish times as accurately as possible, and will note the approximate position of other boats in the vicinity. They must give this information to the RC as soon as possible after the RC's boat has docked.

6.4. GPS recordings will be used to determine actual start and finish times.

The course will be from the Start to Mark 51A (approximate location = N 42°48.843 W 76°43.234) and back to the Finish. Mark 51A shall be left to port. The total distance is approximately 50 statute miles (43 ½ nautical miles).
