Fourth Race Day of the Summer Series, Sunday, August 7

The weather gods smiled on us and gave us sunny race day with an easy breeze of 3 to 8 knots that shifted from the SW to the NW between the morning and the afternoon. The only complaint we had was that it was a tad warm, with the thermometer hovering near the 90 degree mark.

The centerboard group saw four JY15 dinghies and one Hobie catamaran competing in three windward/leeward races between the A and C marks. Overall winners of this regatta - which was scored with the Portsmouth handicap system - are Vern and Susan Swenson with their Hobie Cat. They had one first, one second, and one third place. Detailed race results are on a separate page.

For the keelboat race, only four boats showed up: A C&C 30, a J-24, a Tanzer 25, and a Sonar 23. The course went north to the Maplewood mark, east to the East Shore mark, southwest to the Sycamore mark, and then back up north to the start-finish line at the Yacht Club.

The J-24, SNITCH, and the C&C 30, LORELEI

For the first three legs of the race, LORELEI and SNITCH swapped the lead back and forth several times (see photo). But at the Sycamore mark, the Tanzer 25, FANTASY, squeaked by both of them and wound up crossing the finish line a minute ahead of them.

Detailed keelboat results and JBY Series standings are on the next page.
