Eighth Race Day of the Summer/JBY Series, Sunday, Aug 20

Who would have thought? That was the general consensus around the docks after having the seventh Summer/JBY race yesterday. When in the summer do we get a windy day like that? When we set the course, going from the club to Crowbar, across to the Barge, we came through the line before heading down to Sycamore, just in case the wind died. Little did we know that we would round Crowbar in 17 knots gusting to the mid 20's and be surfing over to the barge and back to the club. Richard Stephens saw 15 knots of hull speed on the Trevelyan and Len Dolhert on his A-Cat even came out to circle around the fleet (a couple times) in another awesome display of speed. Watt Webb wisely took advantage of going with a yellow flag non-spinnaker, but no one was brave (or stupid) enough to try and set a chute anyway. We all made it back quickly and safely (only 2 torn jibs) with "Trevelyan" taking the line honors and Mel Richards and crew on "Lorelei" finishing first on corrected time for the day.
