Newsletter of the Cayuga Lake Cruising Fleet

Fifth Race Day of the Summer/JBY Series, Sunday, July 23

After a short postponement, we started the fourth JBY/Summer series with a nice northerly wind on a perfect day on Cayuga Lake. The acting fleet captain (myself), in order to not recreate last weeks endless drifting, set a course that went past the club frequently in case we needed to shorten the course at any time. So we went to Maplewood down to West Shore, back to Maplewood and then to the finish, with the line open on all legs. Fortunately the wind held (just barely – Sorry Brad) and everyone was able to finish in a timely manner (except the swimming Syren's). Guest skipper Simon Feavearyear on "Snitch" ended up taking the line honors and corrected time for the day with "Wave Train" in second and "Fantasy" in third.

Coming Soon! In the next Pennant we will be starting a gear exchange page for our members (see example below). If you need any replacement parts, or have some extra's to sell, email me by 7 am on Mondays and I will add your listing to the newsletter.

Sixth Race Day of the Summer/JBY Series, Sunday, July 30th

The skippers' meeting will be at 1:45 p.m. at the South Pavilion for the Keelboat Race.

See you there,
