Third Race Day of the Summer/JBY Series, Sunday, July 2

The second race for the summer/JBY series started as a drifter, but who knew what would happen next. Our fleet captain again chose a unique course consisting of West Shore, East Shore, and finishing at Ted Szymanski's house up at Taughannock (originally wanting to finish at Kidders Landing, but the light wind changing his mind). We started with a light Southerly wind, but once we rounded the West Shore, a lively westerly came in to take us to the East shore. Much to everyone's surprise, we then were hit with a 12-20 knot wind that constantly swung from the West to Northwest and had large gusts rolling through the fleet and creating some beautiful round-ups. What appeared to be a slow quiet day ended much sooner than expected with Richard Stephens and crew taking the line honors and corrected time on "Trevelyan."

Don't forget, there will not be races on July 9th due to the Lightning Centrals being held at IYC. Come on down to root for our Lightning sailors or Peter Gould can usually use extra help getting the races going.

The summer concert series begins at Taughannock next Saturday, July 8th. Eberhard is planning to meet fellow sailors for raft ups if the weather holds.

Fourth Race Day of the Summer/JBY Series, Sunday, July 16th

The skippers' meeting will be at 1:45 p.m. at the South Pavilion for the Keelboat Race.
