### Sixth Race Day of the Summer/JBY Series, Sunday, July 30

These are the days we live for in Upstate NY! For the Sixth race day (fifth official race) we had a beautiful Northerly wind that never dropped below 5 knots and nice long puffs around 10 that created some high boat speeds. We set a nice mid distance course going up to Crowbar, over to the Barge, down to Sycamore and back to the club. Unfortunately only two boats made it to the line for the start (Fantasy was spotted out sailing with her crew but missed the start) on such a perfect day. The Webb's on "Wave Train" took the line honors, but "Snitch" ended up taking first on corrected time for the day.
