Second Race Day of the Summer/JBY Series, Sunday, June 25

After canceling the first Summer/JBY race day the second looked to be promising. After drifting around for 15 minutes, the centerboard series got under way for 2006 with a great 5-8 knot South wind. 3 races took place between Joe and Luke Miller, with Luke taking the gun on all three races, but it seems that Joe, his father, performed some extra handicapping by rounding the mark twice in the later two races.

The first race for the summer/JBY series got off in the same decent wind, with our fleet captain choosing a unique course consisting of West Shore, East Shore, Grey Barge, Ladoga, Crowbar and Finally finishing at Ted Szymanski's house up at Taughannock. Unfortunately, the wind muses were not with us. Most of the fleet dropped out after slowly making their way past the Grey Barge or Ladoga. However, Eberhard Alsen prevented a mutiny with the crew of "Fantasy" and completed the course to take the Gold Pennant for the day. There was a small happy, soggy sharing of food at the dock while waiting for the race to end before everyone headed back to the club to dry off.

Congratulations to our own fleet members Richard Stephens and Dan Gaylon and their crews for successfully completing the Scotch Bonnet Lighthouse (Richard) and the Newport-Bermuda (Dan) races.

Don't forget, there will not be races on July 9th due to the Lightning Centrals being held at IYC. Come on down to root for our Lightning sailors or Peter Gould can usually use extra help getting the races going.

Third Race Day of the Summer/JBY Series, Sunday, July 2nd

The skippers' meeting will be at 1:45 p.m. at the South Pavilion for the Keelboat Race.

See you there,
