First Race Day of the Spring Series, Sunday, May 07

What a beautiful day to be out on Cayuga Lake. We had 8 boats out to celebrate the return of Spring under clear skies and fair wind.

The first race was a standard windward-leeward-windward going to Maplewood, through the Club, down to Sycamore and back home. Line honors and corrected finish went to David Feavearyear and crew on "Snitch". The second race was a shortened version going to Maplewood and home since the wind did not seem to be able to stabilize. Line honors went to Richard Stephens on "Trevelyan" with the corrected win going to Sara and Peter Gould on "Wharf Rat".

We currently have 12 boats now registered with the Fleet for the season with more on their way. It seems as though our 2006 member initiatives are already starting to pay off. Please see below for details. We welcome back Brad Buell and the Smiths on there new Cal 28.

Special Note: We have been awarded a spot in the Ithaca Festival Parade on June 1st. We are currently working on the logistics of having human powered Opti races as our "float" for the parade. We will need help organizing and decorating for this event. Additionally, if we can get enough volunteers, we can also request a table at the festival in Stewart Park during the Sunday event. Please contact myself if you are able to "man" the booth during that day.
