Final Race Day of the Season, Sunday, April 29

The 2007 season has officially opened with a great sailing day. We held 2 practice races both courses going to Maplewood, down to Sycamore and back home. In true first day style, all 4 boats had memorable spinnaker sets/gybes/douses, with 3 of the 4 ending up in the water at some point. Good thing we still do tune ups! The winner of the first race was Clare Fewtrell and crew on "mehitabel" and the second race was the Cornell team on "Jnx". Congratulations All!

We will be keeping our Gear Exchange section of the newsletter again. Please email me with any additions by Noon on Mondays to get things listed for the week.

Next Sunday (May 6th) begins our regular Spring Series. Skippers meeting will be at 12:45 pm with the first race starting at 1:30 pm. For the floating crew people who have been asking, most skippers show up around 12 noon so that would be a good time for you to stop by to look for a boat needing crew for any day.

We will be having our spring "Fetch" following the races next week on the deck of the clubhouse (weather permitting – the Pub as a backup). The club will be serving Hot Dogs and Hamburgers on the deck for a fee (as soon as the cost is available I will sent out a memo). Remember, a fetch is a purchased entrée plus a dish to pass, plan on serving 6-10 people. For anyone bringing a hot dish, the kitchen will have the ovens available for reheating.

See you there!
