

The Pennant 19 August 07

Newsletter of the Cayuga Lake Cruising Fleet

End of the Summer Series, Sunday, August 19

Recent Race Results:

The final Summer event ended up as a drifter. Two boats showed up and lazily went around Cayuga Lake passing each other multiple times. At the finish however, it was "Snitch" in the front with "Fantasy" only a couple minutes behind. Below is a summary of the summer events.

The much envied Red Jacket race event with matching outerwear was won by the multi-boat crew on "Snitch." We had 8 boats start the race and a total of 10 boats plus a number of land yachts enjoyed a great evening at the Red Jacket Yacht club.

Ernie Hauser and the crew of "StrataJem" placed 6th in the 2007 levels J24 fleet. Richard Stephens and crew on "Trevelyan" have just finished their tour of the Lake Ontario Racing. Go to <http://www.sailblogs.com/member/trevelyan/> for great photos, reviews and details.

Other Discussion:

There were some interesting discussions while sitting on the lawn at RJYC. The current membership level was one topic that was talked about a lot. The CLCF would like to see how many of our new friends (from the Sheldrake and RJYC races) and our old friends (who aren't currently racing) would be interested in forming a "White Sail" group who would do a sailing event of their own design on Sundays (point to point or GPS coordinates), while the rest of us our doing our two races. The goal would be to have everyone meet back at the South Docks after their events to talk about the day and share some beverages and snacks. If you are interested in this, please let us know, or bring your friends ans we will see you on Sunday.

We will start the Fall Series next Sunday, August 26th. Skippers meeting at 12:45 pm and first race at 1:30pm. See you at the south docks.

See you then!
