Newsletter of the Cayuga Lake Cruising Fleet

Third Day of the Fall Series, Sunday, September 21st

A beautiful day greeted us for the last race of the Fall Series. We only held one race and with variable conditions, our fleet captain set a multi-leg course that had a plan for shortening if the wind died. We started out heading to West shore, across to East Shore, back across to Maplewood and then a Sycamore Add on after we sailed through the line. The boats all made it to Sycamore, but almost half the fleet was becalmed there and with the time limit approaching (and the beer getting warm on shore) they chose to DNF and join the party. In the end, it was Richard Stephens on "Trevelyan" (singlehanded none the less) taking the line honors and win for the day. Clare Fewtrell and crew on "mehitabel" had already wrapped up first place in the series before the start, but with the remaining places up for grabs, it was "Snitch" taking second and Eberhard Alsen and crew on "Fantasy" rounding out the series in third. Congratulations all for a great series!

With one more event to be held (the last JBY race) both that series and the Boat of the Year (BOTY) awards are up for grabs. With a three way tie for BOTY between "Fantasy", "mehitabel" and "Trevelyan" (with 5 points each) and with "Snitch" close behind, it appears that the winner of next weeks race will capture the coveted Ice Bucket. The JBY series itself is up also a close contest, with only one point separating the top two boats. It should be a good day of racing!

The awards banquet will be held on Friday, October 24th at the IYC. Pricing and event contact details will be forwarded as soon as I have them.

The last race day of the 2008 season will be next Sunday, October 19th. The skippers meeting will be at 1:30 pm at the South Pavilion with the event starting at 2:00 pm.

See you there!

David Feavearyear
CLCF Secretary

Results

Boat	Start Time	Wind: SE-ish 0-8			Course: IFBAH	Place	Sailed Like	
		13:30	ET	CT				
Trevelyan	1.0980	14:44:52	1:14:52	1:22:12	1	42	-83
