Frostbite Regatta, Sunday, October 4

Nobody got frostbitten. The temperatures hovered between 60 and 65 under partly sunny skies. The wind speeds were between 6 and 12 knots, and the wind direction shifted back and forth between North and West, and once the wind even switched from West to East.

The start-finish line was near the Pile Cluster and consisted of a committee boat and an inflatable tetrahedron. The course was a windward-leeward affair. The windward mark for the keelboats was a little farther north than that for the Lightnings, and there was a leeward gate where competitors could round either to starboard or to port.

The race committee comprised Byrne O'Brien, Joe Miller, Tom Miller, Peter Walsh and Steve Little. They did a fantastic job in running five races for the centerboard group and five for the keelboat group. Even though they had to shift the course by 90 degrees twice and by 180 degrees once, there were no 5 minutes when boats were not either racing or in sequence.

16 boats showed up for the regatta: 11 Lightnings and 5 keelboats.

The winner of the lightning races was Bob King (Rochester). Dick Halligan (Rochester) was second, and Jack Jones (Henderson) was third.

The winners of the keelboat races were Clare Fewtrell and crew with their J-24, MEHITABEL; second place went to Tim Bonniwell and crew with their Catalina 30, INVICTUS; and third place to Eberhard Alsen and crew with their Tanzer 25, FANTASY. Detailed keelboat results are below.

Last Race Day of the Fall Series, Sunday, October 11

The skippers' meeting will be at 12:45 at the South Pavilion of the Yacht Club. The start will be at 1:30, wind permitting. There will be an end-of-the-series party and cook out after the race.

See you at the South Pavilion!
