Marks-Out Work Party, Sunday, October 27

Thanks to Tim Bonniwell and his crew from INVICTUS, the last three marks were hauled out today. The marks, anchors, and lines were pressure-washed, and the lines were labeled, coiled and stored in the chapel. In the process, it was found that two of the lights on the marks need to be replaced, one because it got destroyed during what must have been a collision with a motor boat, and the other because it was just too old and quit working before the end of the season. Also, we found that the overhead door to the chapel is so broken that it doesn't close any more and needs to be replaced or repaired.

Awards Banquet, Saturday, November 2

The Awards Banquet will take place at the Ithaca Yacht Club. The bar will open at 6:00, the dinner will start at 7:00, and the awards presentation will start at 8:00. Steve Little will be the MC at the awards.

The dinner will be self-catered. The Cruising Fleet will provide the beer and soft drinks and three entrees at a nominal charge of \$ 5.00 a person. There will be a carving station for turkey and ham (sorry, prime rib was too expensive), and a vegetarian lasagna.

Skippers and crews should contribute side dishes and desserts.

Please let Fleet Captain Susan Swensen know what dish-to-pass or dessert you decide to bring.

This is extremely important so we don't wind up with a lot of potato salad and no desserts.

Susan's e-mail address is sswensen@ithaca.edu

See you at the awards.
