## **Newsletter of the IYC Cayuga Lake Cruising Fleet**

### **First Race Day of the Latitude Series, Sunday, June 22nd**

We arrived to a variable breeze that appeared (and disappeared) from the North, so our optimistic Fleet Captain made plans for a Course "B" race, which for most of the fleet is a turn around point just South of Myers Point. Shortly after the start, the breeze built nicely and as we approached the Ladoga Point turn around, it clocked NW so that the majority of the fleet made it to their GPS Latitude in one tack. A quick spinnaker set and a tight reach had us steaming back to the finish line and everyone the race was over in about an hour. Not bad considering the almost drifter start.

Four boats showed up to race. The Feavearyear's J24, "Snitch" took first; Tim Boniwell's "Invictus" in second, The Witherup's "Quetzal III" in third and Richard Stephen's Corsair 28, "Trevelyan" in fourth.
