## Newsletter of the Cayuga Lake Cruising Fleet

Hello Sailors!

We got the marks in a couple weekends ago. It only took 4-5 hours to put them all in - the work barge is fantastic! John Skawski was, again, invaluable in piloting the boat.

Four skippers and no crew have registered and paid for the year thus far. Take a minute and fill out a registration form and send that and your check along to Clare! The fleet thanks you :)

There will be a tune up race this Saturday to make up for last weekend. Skippers meeting starts at 12:45pm and the first race is at 1:30pm.

Happy sailing!

**What? You want to buy a boat and join the Cruising Fleet?? Of course you do!**

Two boats are looking for a good home, please see below.

This Yngling 21 is being sold by Peter Muschamp for \$5,500. He's been spending more time in England and might be moving back. [pmuschamp@me.com](mailto:pmuschamp@me.com)

Frank Flannery is finally selling his J24 Kantagree. It would be great if we could keep this boat on the lake and racing with us.
