### Fall Series 3&4

The forecast for Sunday initially didn't look very promising, Charles thought it would be a good day to go swimming and showed up in swim trunks but luckily he brought us luck and we had a great first race! Five boats ended up racing: Richard Stephen's Corsair 28 Trevelyan, Clare Fewtrell's J-24 Mehitabel, Eberhard Alsen's Tanzer 25 Fantasy, David Feaveyear's J-24 Snitch and Tim Bonniwell's J-70 Ayla's Ride.

The course was Far Maplewood, Sycamore, A, West Shore, A with the last two legs as possible amenable course settings in case the wind died. It held during the first race unlike Mehitabel's spinnaker halyard which, through a comedy of errors, ended up on the loose from its right place inside the mast and will hopefully be put back in time for this week's race.

The second race started like the first, 5-10 kts from the north, with the same marks but the wind ended up fading away. Trevelyan called Charles when approaching the A mark for the first time to ask if the other boats bobbing around Sycamore would like a shortened course and West Shore and A were removed to shorten the race. Results are pasted below.

### Fall Series 5&6

The skipper's meeting next week is at 12:30 at the pavilion, be there or be square.
