Tune up races!

As forecast by the Secretary (me!), the winds were around 14 kts out of the NW – gusting ~25 with temps in the mid 30s. Crew from *Trevelyan*, *Ayla's Ride*, *Snitch* and *Fantasy* were present! And as far as we know, only *Invictus* sailed at all! Although it must be admitted that we had a fine sail and saw or rounded Crowbar, Ladoga, Bleu [sic] and Far Maplewood.

Indeed, the weather was pretty, ahem, miserable in the morning as it was snowing horizontally for many hours - no one was really in the mood for sailing. Grumblings on the order of “If I'd wanted to sail in weather like this I could have just stayed in England” were overheard...
