Boat Parade!

Hello CLCF!

With it being Labor Day Weekend, IYC is hosting its annual boat parade! As you can see in the attached graphic, the boats will line up at 11:30, with the first boat passing the club at 12.

Knowing that many of you may want to participate in the parade, we will alter the format of our skipper's meeting and start of race. We will hold the skipper's meeting on the water via VHF channel 80. RC will announce course and start time on channel 80.

This represents a change to the sailing instructions for the race(s) on September 2, 2018 only. The start time of the first race may or may not be at the usual 1:30 GPS as we may have to work around the parade. We may have to start later waiting for the boat parade to clear our starting area. Conversely, if the parade ends early and we are all already on the water, we may be able to start a little sooner. In short, please adjust your arrival times and monitor your radios.

If you have any questions, please feel free to email them to me directly, and thank you all in advance for your flexibility this weekend.
